ORDER:-

In the reference 1st read above, orders were issued according administrative approval of Rs.7.20 Crores for Rehabilitation and Resettlement package for the villagers of Sangambanda Village, Mathkal Mandal of Mahabubnagar District.

2. In the reference 2nd read above, the agency executing the work has requested in their representation:-

- (1) to approve controlled blasting rates as recommended by the Department for F&F and hard rock and
 - (2) to waive off the less tender discount for the entire work, in view of the difficulties faced by them while executing the work.

3. In the reference 3rd read above, the Chief Engineer (Projects), Mahabubnagar was requested to explain the proposal of Controlled blasting chronologically and link if any, with the R & R package already given vide G.O.Rt.No.1294, dated:7.11.2003.

4. In the reference 4th and 5th read above, the Chief Engineer (Projects), Mahabubnagar has furnished proposal for consideration. The Chief Engineer (Projects), Mahabubnagar has reported that although Government vide G.O.Rt.No.1294, dated:7.11.2003 have issued orders for acquisition of the said village and R & R package was also sanctioned, but the process of relocation would take some time during which either work has to be stopped till R & R is completed or it can progress with control blasting to avoid any problem to the villages. Chief Engineer further reported that control blasting became necessary for timely completion of the project work and work was carried out with control blasting, as till date R & R work has not been done.
